Ms. Brenda Baker who lives at 806 Bedinger Street addressed the council concerning the proposed acquisition of Grants Park by the city. She is concerned that when the trailers are removed that the bugs will make their way to her and her neighbors properties. City Administrator Alex Mattingly stated that if the city purchases the trailer park it would be to extend the city park. The city would not have ownership of the trailers that are there and it would be up to the owner to have them removed. Ms. Baker stated that she did not feel that the surrounding neighbors should have to pay for the current owners neglect. Mr. Mattingly stated that the city is aware of Ms. Baker's concerns and if the acquisition is successful the city would have to address this problem.

NO ACTION TAKEN.
