5. **ERRORS IN BIDS/PROPOSALS** - Bidders/Offerors are cautioned to verify their bids/proposals before submission. Negligence on the part of the bidder/offeror in preparing the bid/proposal confers no right for withdrawal or modification of the bid/proposal after it has been opened. In case of error in the extension of prices in the bid/proposal, the unit prices will govern. All price extensions are to be checked by the buyer to ensure the total bid/proposal is accurate. Elsmere reserves the right to waive any errors or omissions contained in bids/proposals, and to waive any other irregularities, if such action benefits the City of Elsmere.
6. **RESERVED RIGHTS** - The City of Elsmere reserves the right at any time and for any reason to cancel this Request for Bids/Proposals for any reason, accept or reject any or all bids/proposals or any portion thereof, or to accept an alternate bid/proposal. The City of Elsmere reserves the right to waive any immaterial defect in any bid. The City of Elsmere may seek clarification from any bidder/offeror at any time and failure to respond promptly is cause for rejection of a bid.
7. **INCURRED COSTS** - The City of Elsmere will not be liable for any costs incurred by bidders/offers in replying to this Request for Bids/Proposals.
8. **AWARD** - It is the intent of the City of Elsmere to award a contract to the lowest evaluated bidder/offeror meeting specifications. The City of Elsmere reserves the right to determine the lowest evaluated/responsible bid/offer on the basis of an individual item, groups of items, or in any way determined to be in the best interests of the City of Elsmere. Award will be based on the following factors (where applicable): (a) adherence to all conditions and requirements of the bid/proposal specifications; (b) price; (c) qualifications of the bidder/offeror, including past performance, financial responsibility, general reputation, experience, service capabilities, and facilities; (d) delivery or completion date; (e) product appearance, workmanship, finish, taste, feel, overall quality, and results of product testing; (f) maintenance costs and warranty provisions; and (g) repurchase or residual value. Unless otherwise specified, prices shall remain firm for the contract period.

Unless the bidder/offeror specified otherwise, it is understood the bidder/offeror is offering a referenced brand item as specified or is bidding/offering as specified when no referenced, and does not propose to furnish an “equal.” Elsmere reserves the right to determine whether a substitute offer is equivalent to and meets the standard of quality indicated by the brand name and number.
14. **SAMPLES** - Samples of items, when called for, must be furnished free of expense and, if not destroyed in the evaluation process, will, upon request, be returned at the vendor’s expense.
